HOW TO ADD A PAYMENT METHOD

- **1.** Select Wallet from the main navigation, then select Payment methods.
- 2. Select Add Payment Method and select the type of payment you wish to add.
- **3.** Enter the card information.
 - Techron Advantage[®] cardholders will receive a phone call or SMS text with a verification code to enter to validate.

HOW TO ADD A CHECKING ACCOUNT

- 1. From the Wallet and Add Payment Method, select Checking Pay[™]
- 2. You will be directed to a third-party site to enter your personal information and accept the Terms and Conditions.

HOW TO ADD A CHECKING ACCOUNT (continued)

- **3.** Select Your Bank and enter your login credentials and follow the prompts to securely link your checking account to your User Account on the mobile app.
 - Note: Your financial institution may require multi-factor authentication.
- 4. You will receive confirmation that the connection was successfully linked. You can now use Checking Pay as a payment method.

Important Information

- You also have the option to enter your account information (checking and routing numbers) manually.
- You will see a credit and debit posted to your checking account to verify your information.
- Once your account has been linked during the set-up process, transactions will process without the need for further verification.
- If you have any issues with creating the account connection, contact CheckingPay@bimnetworks.com or (888) 823-2483.

HOW TO ADD A GIFT CARD

- **1.** From the Wallet and Add Payment Method, select Gift or ePromo Card.
- 2. Enter the gift card number and the gift card PIN instead of the app security PIN.
 - Gift cards must be entered into the app manually and cannot be purchased or reloaded from the app.

STEP 2

HOW TO ADD A GROCERY GAS REWARDS CARD

- **1.** From the Wallet select Rewards mobile number.
- **2.** Type in the phone number associated with your grocery gas rewards account and press Submit.
 - Combine Grocery Gas Rewards with the Chevron Texaco Rewards program rewards up to the maximum allowed under each program.
 - Follow the instructions on the pump screen to redeem combined rewards.

STEP 1

HOW TO FUEL UP

1 To fuel up via the app, Location Services must be enabled.

• When you arrive at a participating station, the **Fuel Up** button becomes active in the Main Navigation.

2. Press Fuel Up to be prompted to select your pump number.

• On the Confirm screen, you can add a car wash and select method of payment.
