

INSIDE OUT PROTECTION

DRILLING RIGS

Available as ISOCLEAN® Certified

Diagram is for guidance purposes only. Actual OEM requirements should always be followed. The product recommendations provide general guidelines for use in drilling rigs. All manufacturers have different coolant and lubricant requirements and recommendations. It will be important to contact a Chevron representative or refer to the Original Equipment Manufacturer manual to confirm the proper product is used for the application. Visit chevron-gsc.force.com/lubeteksupport for confirmation of specific OEM specifications.
